CALL FOR ART

CREATIVE COMMUNITIES ALLIANCE

Public Art Opportunity: Sculpture on the Move

The Creative Communities Alliance (CCA) is a coalition of municipal and nonprofit organizations dedicated to the development of community arts across the state of Missouri.

We are now accepting applications for the 2027 round of Sculpture on the Move where we install approximately 20 sculptures for prominent display in outdoor, public areas around Missouri. These sculptures will be installed in the spring of 2027 for a period of two years, at which point artists can resubmit their work to be selected for another location within the regional display for the following year. Artists may submit multiple works and may have multiple works selected across the participating communities.

For more details, please visit us at www.creativecommunitiesalliance.com

Schedule:

December 2026	CFA application released
January 31, 2027	Deadline for artist submission
February 5, 2027	Artwork presentation date for communities
March 4, 2027	Artwork selection date
May 2027	Sculpture Installation (Date to be agreed upon between the community & artist.)

Requirements:

Open to all artists living in the United States.
Each work must fit on a 4ft x 4ft concrete pad.
There is no limit to the number of sculptures submitted by an artist.
Artist agrees that work submitted is original work created by the artist.
Delivery locations are across Missouri in multiple locations. All work must be ready for installation upon delivery. Artist accepts responsibility for delivering and retrieving work on dates as agreed upon in the final contract.

Selection process:

Each municipality/community will select at least one sculpture from the pool of submissions. After the selection, a representative from that community will work directly with the artist to finalize the contract, payment schedule, as well as determine delivery and installation dates.

Please note - your sculptures may be chosen by a variety of communities across the region. You are responsible for transporting your sculpture to the community that selects it. If this is an issue, please note it in your application.

Award: The selected artists will be awarded $1,500 per year for two years, for each sculpture selected, resulting in a total of $3,000 per sculpture (over 2 years).
